"THE GREAT CIRCUS MYSTERY"
Episode #6 Adventure Picture
"A Leap for Liberty"

* * *

Adams' henchmen lure Trixie on a boat. She is beaten and the missing piece of the mysterious pact is taken from her.

Farrel is flung out of the auto. He climbs up to the ledge overlooking the road and overpowers a horseman who is carrying the precious fragment to Adams. Farrel then goes to the ship and tells them that he has a message from Adams- to bring the girl back to the circus.

Landow is also overpowered in another machine. He is flung over a cliff. Before he is able to arise, he is seized bound and carried back to the ship. Here he is chained in the hold of the ship.

Adams overpowers the mystery man. He takes a mysterious symbol from him. The Hindu Sand Diviner's leopard leaps at him. He escapes and orders his circus to leave town. The Hindus aid him to his feet.

Back on the ship Farrel is exposed when his victim appears. Farrel climbs the riggings. He dives off and climbs aboard a motor boat. At this time, Landow bursts his shackles and battles his way to the side of the ship. He leaps into the water and swims to Farrel's boat.

Adams' henchmen take to a swift launch, forcing Trixie aboard. Farrel and Landow pursue them at top speed. Trixie battles her captors and cries for aid. Several of the brutes are knocked into the water. The men are unable to subdue her.

Adams' circus meanwhile moves to the next town and sets up its tent, preparing for business despite the fact that his strong man and his bareback rider are not on the bill.

And at this time Landow and his companion run down the Adams' launch, sinking it....
